CALING LINDA LOVELACE

I know that by now every woman over the age of 18 should be able to deep throat a guy as easily as sucking a popsicle, but to be completely honest, I just can't hack it. I'm 26 and have seen Deep Throat twice, have studied the technique and tried it on the real thing, but it just doesn't seem to work. I thoroughly enjoy giving head because I think it is one of the most exciting things for a man short of screwing. Whenever I go down on a guy, I first start licking his shaft all over in an up-and-down motion, sometimes giving little love bites just to increase his sensitivity. Then I work up to the head, letting it slip slowly in and out of my mouth. I suck it in as far as possible causing a vacuum effect which is usually very leasing

"When you stick your prick into my mouth, fuck me with it! I love to feel cock meat banging my throat as I gobble up a thick penis."

for him. I have tried, at this point, forcing his dick further down my throat, but it seems that my throat automatically tightens up and I feel like I'm going to cum. I'm afraid to push it any further because I don't want to lose the thrill of it all. So I withdraw it and repeat the licking and nibbling. Depending on the amount of friction produced by the in-and-out motion, I usually able to maek him come hard and strong.

I know it isn't the size of the organ that hangs me up because I've tried on both small and large ones. Some I can go further with, but never all the way. Things seem to be fine till a certain point. Then I can't go any further and have to keep it shallow. I thought perhaps that I wasn't relaxing enough, but the only area that seems tense is my throat and how can you relax such an involuntary muscle? Linda Lovelace made it look so easy that I'm still determined to learn the technique.

LIVE SEX SHOW

There are several porn theaters in my town that show not only porn films, but have live sex shows, and have told me that sex performed in them is real. A man and a woman actually get up on stage in front of an audience and fuck and suck.

For a long while now I'm been meaning to check out one of these shows, but I hadn't gotten around to it until last Wednesday night. They say that timing is everything, and after what happened to me last Wednesay night, I wholeheartedly agree. For once in my life I was in the right place at the right time.

I was watching the live show, truly mesmerized by what I was seeing. A tall, sexy-looking black-haired woman got up on the stage, danced and stripped to a few disco records, and was then joined by a male companion. He stripped off his pants, and she took his cock and placed it into her mouth. She began sucking him noisily up and down until he had a hard-on, and then he began fucking her. I was sitting in the second row from the stage, and could even hear them making wet, squishy, in-and-out fucking noises.

But that wasn't all I heard. Down the row to my left, about three seats away from me, there was a man and a woman. The man was sitting on the far side of the woman, with his arm draped around her shoulder. One of his hands was cupped around her bare tit, and he was playing with her nipple. His other hand was thrust so deeply into her unbuttoned jean shorts that I could see the tangled blonde mass of her pubic hair. From the way she widely spread thighs were grinding up and down, it was obvious that the man was fingering her pussy.

I immediately forgot about the sex show taking place on the stage, and I intently began watching the sex show taking place down the aisle from me. As my eyes adjusted to the dim-

lighting, I could see that the woman was young and pretty, with short blonde hair and a firm, trim body. I could also see that she was holding her lover's cock in her hand. She was jerking him off.

When the man motioned to me to join them, I moved across the three separating seats in a flash. My heart was pounding in my chest and my prick was swollen and throbbing. The man had the blonde's summer-weight blouse pulled up, exposing both pink-tipped nipples. I reached over to caress her, and at once felt the woman's right hand sliding up my thigh. I pinched her nipples with one hand, and unzipped my fly with the other.

The woman wrapped her hot palm around my exposed dick and began masturbating me. I pushed my hand down into her open shorts, cupping her mound as I slipped a finger into her cunthole. When I began licking her nipples, she began grinding her pussy against my fingers; then I came in her hand. But she kept on jerking me off,

smearing the sperm across my dick, rubbing it into my burning flesh.

By this time (remember, we were in the second row from the stage) we'd attracted quite a bit of atention. A tall black man moved down the aisle, sat next to me, and then reached across me and began caressing the blonde's pussy. Anotehr man sat beside her lover, stretched past him, and starting playing with the woman's tits. A man in front of us turned around, pulled her shorts down over her knees, and began fingering her, thrusting himself

At the same time, the black man and three pairs of hands was caressing hr breasts, fondling them, sucking them, pinching her nipples.

The young blonde woman began to cum, first very softly, and then very loudly, many, many times. Her hand tightened round my prick (which never lost its hardness), and she began jerking me off again, digging her finger- to me each time she came.

". . .With a final gasp and soul-wrenching sob, she came—her whole body shuddering in ecstasy."

The sex show (on stage) ended finally, the lights in the theater went out, and the porn flick went back on. Even our sex show ended as the various men began to drift away. Soon it was even time for me to leave. But I went home that night with the biggest god-damned smile on my face that anyone had ever seen. And all the next day, for no reason at all, I'd find myself kicking my heels together whooping out loud at the top of my voice, and breaking into a fit of uncontrollable laughter.

TIT VIBRATIONS

I am a 19 year-old bisexual. I've just learned what sex play is all about since I moved in with Wanda. Wanda works as a beautician at a posh salon. She's the one who introduced me to the joys of tit stimulation.

Wanda uses an old-fashioned hand vibrator, one that straps on to the back of her hand and leaves her palm and fingers free. Once she turns it on, she places her hand on my tit and squeezes down hard. The electric shock goes right through me. Having the vibrator move in tight little circles around my tit, especially when it comes to my nipple, is just terrific.

The thing is, Wanda knows how to vary her touch. One second, it's hard and pressing, so much so that I think the damned vibrator is going to dig a hole right through my spine. The next, it's like a summer breeze. The vibrator is scarcely touching me, and yet the thrill is just as great.

I particularly love it when Wanda places her palm under my tits and massages the sensitive flesh there. Wanda never hurries the treatment. All I have to do is murmur, "Oh, darling, that's so good!" and she'll salute that spot for as long as I want her to.

When I think the build up is so intense that I won't be able to accept another minute of it without faintng dead away, Wanda moves the vibrator downwards. It flicks over my flat belly, crosses my soaking bush, moves inside my thighs and up against my groin. Wanda slides her thumb and her forefinger into my pussy. I hear the vibrator's whine increase to full power. It's almost like being shot through with a million volts.

I scream at the top of my voice, but nobody hears me because Wanda has clamped her mouth over mine and is drinking my cries in with her probing, hot, wet tongue. Her body presses down on me and she pinches my tits with her strong hand. Her taloned fingernails dig in, leaving deep scratches on my skin. The furrows burn like fury, my cunt throbs with electricity, and is aflame with ecstasy and I am being mouth-thrilled. This has got to be the ultimate.

HER PARTY GAME WAS NIPPLE ORGASMS!

The party was at Ed's place. He was the only guy in our crowd lucky enough to be able to afford his own apartment. Craig and Steve and I were still bunking at Miss Annie's boardinghouse, getting two squares a day and clean sheets once a week, and we felt lucky to be able to afford that since we were trying to get through college. Oh, we all had part-time jobs. Craig pumped gas and wiped windshields at a discount service station. Steve worked at the Pizza Hut. I pushed men's clothing at a shop near the boardinghouse.

But Ed? He was born with the keys to a Porshe in his mouth. His old man was a bit shot lawyer and gave him plenty of money. While the rest of us had to eek out money for booze and girls, Ed just signed his name to a check. But he was a good guy, and he was always glad for us to throw a bash at his pad anytime.

The apartment had two bedrooms and a balcony overlooking a pool and tennis courts. The girls had fixed sandwiches, and we guys had pitched in to buy the booze. Now we all sat on the deep red shag in the living room, listening to music, all of us a bit stoned. Ed was snuggled up with Marianne, his current chick who was pretty sexy, but also pretty smashed at the moment. Her head was nodding. Craig's girl was really getting with it. Her name was Marty, and she had long red hair the color ot sunet, and she'd already peeled out of her blouse to expose two luscious, lip-smackig tits. Craig waas fondling them openly, and I felt a tightening in my groin as I looked down at the babe in my own arms. Kathy. It was our fifth date, and she hadn't even let me see them yet, for crying out loud! I'd made up my mind if I didn't score soon, I was going to ditch her.

All of a sudden Steve's girl, Wendy, got to her feet with a secretive smile on her lips. She was really a looker—a nice figure that she didn't mind showing. She

"She didn't protest as I leaned to kiss each juicy nipple, licking my lips in delight."

wore hipsters, cut real low, and a halter top with no bra beneath. I could see Steve was wanting to get her off in a corner bad. With no cars, and no money for the price of a motel room, we'd do without the good things in life for long stretches if Ed weren't so generous with his apartment. He was pretty good about letting us bunk around to get a lay whenever we could.

"Wake up, gang, I've got a swell idea," Wendy cried, waving her arms excitedly. Steve tugged at her leg, but she ignored him. "Let's play a game...."

"I'd rather play games in the bedroom," Craig said bluntly, and Marty giggled, her heavy breasts bouncing enticingly beneath the hold her had on them.

Wendy ignored him, her eyes shining with excitement. "I've got an idea for a new game. We're going to play hide 'n seek!"

We all groaned, but she bounced up and down and waved us to silence. "When one of you guys find us, you take one piece of our clothing. The first guy that finds a girl in her birthday suit...well..." she rolled her eyes.

We guys looked at each other. We were all pretty smashed by then, and it sounded like a great idea. Besides, I thought, casting a plotting eye at Kathy this was one way to get her loosened up. Wendy snapped out the lights and the girls scattered. They pumped into furniture, giggling, because they were also so smashed they didn't know what they were doing, and I felt a rise in my jeans as I realized therre would be no problem making it with Kathy tonight. I reached down and tucked myself in place and silently whispered, "Relax old buddy, tonight she's all yours!"

"Okay, we're ready...." Wendy called from somewhere down the hall. Laughing like ten-year-olds, we guy

took off. I groped along, making my way into the kitchen. I felt around, then found a huddled form beneath the table, trying to stifle giggles. Her breasts were bare, and I knew it was Marty.

"You get to take a piece of my clothing," she whispered, yielding as my hands moved over those appetizing breasts. She didn't protest as I leaned to kiss each juicy nipple, licking my lips in delight. Man, it felt good. I lingered a moment, then gave her slacks a tug, and she obligingly let me take them. I hung around a few minutes more, fondling her temple of joy, feeling the wetness and knowing some lucky guy was going to get a good lay. Maybe I could find her when it was time for her to be completely stripped. I'd always wanted a piece of her action!

With a quick kiss to her lips, which she anxiously returned, I moved out of the kitchen and bumped into someone on the way in. Wordlessly, I moved on down the hall. Turning into the first bedroom, I groped about, looking on the bed, under it, beneath the desk, and finally, opening the closet door. Explosions of laughter were echoing noisily throughout the apartment, and furniture was being scraped, things being knocked over. It was wild.

The girl in the closet already had her top off, revealing another pair of appetizing breasts. I fondled and felt and removed hipsters, realizing I had our fun and games girl, Wendy. I felt all over, liking what I touched, and we kissed, and she had her hands over my body, and man, I was busting to get out of my jeans. My buddy wanted to play, too!

Moving into the other bedroom, I found Marianne, wearing nothing but tight bikini panties stretched across her cute little bottom. I stripped those off quickly, and, knowing the next lucky guy to wander along would lay her promptly right there on the bed where she waited, I figured I'd do him a favor and get her good and ready. I moved all over her, kissing her into a frenzy, loving the feel of her smooth skin beneath my searching fingertips.

"Ohhh, Ken, I know it's you...," she moaned huskily as she writhed beneath my caresses. "I wish it were you who'd come in next. I've always had the hots for you..."

"She was holding on tightly, her breasts pressing hard against me, her teeth biting into my shoulder as she moaned deep in her throat."

"We have to follow the rules," I said thickly, wanting her with an ache, but knowing this was my big chance with Kathy. After all, she was my girl, and once I scored, the door would be opened any time I wanted to enter.

Suddenly, she loosened her hold on my neck and bent down, her lips seeking my tool. Finding me still fully clothed, she worked feverishly with my zipper, and I couldn't find the willpower to pull away. She worked on me furiously, an I was sure I'd explode then and there. Just as I was about to go ahead and crawl on top of her, someone stumbled into the room, and I knew I had to go and find Kathy. I never thought I could make myself leave those eager, hot lips, but I did...and I was instantly replaced by someone else. They were making the bed rock like crazy by the time I stumbled to the door!

I bumped into her, and I just grabbed her all at once, my mind whirling from all I had drank, felt, and seen. I didn't give her time to protest. I touched her all over, my lips working feverishly at her face, her neck, her breasts. She didn't protest as I covered her body from head to toe, then lifting her yielding body in my arms and moved to the lounge. I felt moisture on her cheeks, knew she was crying. "It's okay, baby, I love you," I murmured the age-old phrase that a girl wants to hear when it's time to get down the knitty-gritty. "I've got to have you to prove how much I love you...."

Her arms were about me, holding me tightly, and I entered her without further preliminariess. She stiffened, gasped in awe, and I was shocked to realize she was obviously a virgin.

Making myself slow down to a gentle rhythm. I crooned to her and told how great she was, how I didn't want to hurt her, and she should just relax.

But something wonderful was happening. She no longer lay limp and afraid in my arms, letting me do as I wished. She was holding tightly, her teeth biting into my shoulder as she moaned deep in her throat. I felt her nails diging into the flesh of my back, and her knees were locked tightly about my hips as she rocked and rolled beneath me. I kept going at it, praying I could hold on and give her what she needed to be glad to had finally succumbed to the glory a woman is born to enjoy.

The lounge was rocking and so were we, and with a final gasp and a soul-wrenching sob, she came—her whole body shuddering in ecstasy. I held her tightly, very tightly, and as she drifted slowly down from a pinnacle of passion she probably never dreamed existed, I whispered against her ear how wonderful she was. "You'll never be sorry, baby. This is just the beginning for us, Kathy. We're going to have some great times together, you and me...."

SPERM GOBBLING MAKES TITS BIGGER!

Medical researchers in England have discovered that ingesting cum orally is not only beneficial because of its protein value, but extremely helpful as a tool for mental distress. Studies just released show that women going through menopause and young girls going through puberty have found it easier to accept these life changes through the startling discovering of ingesting semen.

Though the scientific details concerning the body's chemistry and hormones are more readily understood by doctors, the findings of this particular study were kept secret until last month. The main reason for secrecy was England's fear that a wave of sexual acts would swamp the British Isles and possibly turn the female population into a "band of wanton, cum-maddened women!"

However, the doctors who supervised the program called *Digestive Usages of Semen* claim they could *package* semen the same way vitamins are packaged as capsules and tablets. Nevertheless, London is very leery of approving the study.

Capsule, notwithstanding, accumulating the semen must still be obtained by male ejaculation. The doctors argued that the health benefits of oral semen ingestion are the important factor—not the methods used to obtain it. Undoubtedly, if doctors' reports weren't so graphic in their description of test cases, the study would've already been approved.

The research program began quietly enough with two stunning-looking friends, Carol and Diane Hawley, who were arrested in a sex scandal involving Parliament.

Carol Hawley was 24, 5'6", 110 lbs., with short blonde hair, blue eyes, firm breasts and long, slender legs. Her friend Diane was 21, brunette, 5'5", 107 lbs. and also had firm breasts and long, tapered legs.

On the first day of testing the doctors realized they had no male subjects, but the friends offered a solution—let the doctors be the subjects. "The first thing we'll need," Carol said, "is some erections. Diane and I will handle that." Carol's hands reach out and touched two of the doctor's crotches. Though they hesitated at first, the doctors soon succumbed to Carol's fingers.

Diane took off her sweater and bra, squeezed her breasts sensuously and walked over to one doctor sitting in a chair. She leaned over and rested a nipple on his lips. Carol took another doctor's hand and placed it under her skirt,

"Findings were kept a secret because of England's fear that a wave of sex acts would swamp the British Isles and turn the female population into a band of wanton, cum-maddened women."

letting his fingers touch her panties, which were rapidly wetting.

The unnerved doctors were so aroused they couldn't control themselves. The prick lodged deep in Carol's mouth exploded! As Diane prepared to do the same to the other doctors, she said, "When you stick your prick into my mouth, fuck me with it! I love to feel cock meat banging my throat!"

THE END

Within weeks the doctors and their beautiful aides (in nurse's uniforms) were interviewing and studying a large group of male and female volunteers. One test session included two large black men, physical education instructors, and a beautiful, sophisticated woman, Lady Jeanne Coslow. Lady Jean was thirty years old, divorced and a member of London's upper class. She was 5'8", 116 lbs., with flashing green eyes and long, straight, dark red hair. She was also known to enjoy the taste of cum, and the doctors' research program seemed like a legitimate way of indulging in her desires.

She had arrived before the two blacks and was naked except for long, black hose and chunky-heeled shoes. The blacks entered the testing room, which now had comfortable quilts on the floor. Both men were naked and Lady Jeanned smiled approval at the sight of their well-muscled bodies and dangling penises! The blacks responded in kind when they saw the beautiful, well-groomed redhead looking up at them. Their pricks leaped to attention; one was very long and narrow and the other was incredibly thick!

After twenty minutes or so of soul-kissing and tit-sucking. Lady Jeanne had one man lie down so she could mount his cock! It entered her juicy cunt with a squishy sound. Lady Jeanne leaned forward so that her lovely body was exposed to the other black. "You can fuck me now," she said, "but it has to be lubricated first."

Immediately, Diane and Carol entered the room. Their nurses' uniforms were unbuttoned, showing their lovely naked bodies. "We'll lubricate the both of you," Diane said. She knelt over Lady Jeanne, still mounted on the black's long cock, and began licking her buttocks and her body. She let saliva accumulate on her tongue and then worked her tongue into the beautiful woman's inviting mouth. The older woman shuddered in delight.

Carol, meanwhile, was greedily sucking the other black's monstrously thick penis, which was so wide it made her cheeks puff out. Her fingers gently massaged the black's massive balls until Lady Jeanne said she was ready. Carol pulled the man's wide cock over to Lady Jeanne's mouth and Diane pried the lady's hot lips apart. The black enjoyed Carol guiding his thick cock into the eager opening. Then his hands gripped Lady Jeanne's buttocks and his prick glided slowly into the small opening! He paused for a moment and then thrust forward; the thick tool quickly disappeared into Lady Jeanne's mouth and she gasped and cried, "Oh, God, does that feel good!"

As the doctors watched from the other room, their own penises in a state of erection, the two black cocks were

Lady Jean Diane had already squatted her sopping vagina on the face of the black who was fucking the lady's cunt. Carol concentrated on the wide prick ramming Lady Jeanne's orifice. Both men grunted and began pumping out their cum with a vengeance! The lady was also climaxing. When the blacks rolled away, Carol grabbed the older woman's semen-filled vigina and pulled it down plush on her open mouth! Gobs of semen poured out of full holes! As Carol drank the cum from Lady Jeanne's

vagina Diane licked up the semen that rolled out of her cunt and on to her friends breasts. After the friends digested the semen, Lady Jeanne became annoyed. "I was the one that was to drink it," she said angrily.

Before an argument began the doctor's rushed in, naked cocks exposed. The lady smiled. "That's better," she said. Carol handed her a glass and the lovely woman jerked off each doctor, collecting their semen in the glass. This aroused the blacks again and their ebony cocks stood out like flagpoles. "More goodies," Diane said. She and Carol started sucking the black pricks, embedding their fingers into each man's muscled thighs.

When the *experiment* was over, everyone was pleased, especially the doctors, who said this first-hand research was of great value to the program.

How To CUM between GIGANTIC BREASTS

Tits are just like women—they come in small, medium and large. But among the various sizes are a variety of shapes so unique that you could suck on a different nipple every week and not find two pairs of breasts that look exactly alike in the better part of a year.

That's the facts of life as any tit fucker worth his salt can attest to. That's not to say there aren't "good tits" and "bad tits," because the perfect set of knockers is something that we breast men all strive for.

• You don't want to fuck tits that are flabby and hang to the knee. Drooping boobs are definitely out.

• Tits that are really fat and misshapen look like hell, and are revolting to suck on as you feel like you're fondling a flat tire instead of a woman's breasts.

• Mammas that are full of visible veins resemble the canals of Mars and should be avoided at all costs—that is unless you happen to be an astronomer.

• Stretch marks are also a no-no. These can usually be found on hefty gals who put on weight by the ton instead of the pound.

• The color of breasts are also very important. Pastey white tits make a person look like they are dead, and not many guys want to fuck a corpse.

• As far as nipples go, they should resemble rose buds. Flat nipples that never get hard are for spinsters, not a woman to be thought of as a sexual object.

There's no doubt that women with just the right tits go through life being worshipped. A few years ago a young lady who worked in one of the brokerage houses along Manhattan's Wall Street, caused quite a stir in the groins of her male counterparts, when she would go for a walk each day at noon. A brightly colored pullover sweater was her trademark. It wa so tight that all traffic would have to come to a halt as she paraded down lower Broadway seemingly unaware that hundreds of sex crazed men were following right behind her. Her photo made the front pages, and centerspreads, and was the topic of nightly news reports. It didn't mtter who the girl was—no one remembers her name today—but the fact that she was built like a ton of bricks was all that mattered. If our suspicions are correct, hundreds of guys couldn't wait to get back to their jobs in order to jack off in the bathroom stalls thiking about this babe's ripe bazoons.

"Spongy tits are a great plus for any girl you eventually want to breast fuck."

Some of the masturbating men might have been thinking about sucking on those firm jugs, but if our recent survey of breast lovers is at all accurate, chances are the group of Wall Streeters were dreaming of having their stiff cocks surrounded by a solid wall of tit flesh.The very idea of rubbing their aroused, semen-filled cocks and balls back and forth beween these "mounds of glory" could have easily caused some of the older executives to have a heart attack. For what macho male doesn't appreciate the prettier things in nature, especially if they happen to be on the chest of some ravishing blonde or redhead?

We have already told you the type of tits to stay clear of, but do you know what sort of boobs to keep your eyes open for?

GINA

Gina is a hot blooded lass who is nice, dumb, and usually full of cum. She knows that she has one of the best set of knockers in town and every stud on the strip is trying to get into her pants! Gina sometimes gets home late at night with gism dripping off her bra. She feels that a good method of birth control is a

tight blow-job or a good titty fuck. There is no other girl who gives as good of a titty fuck as Gina! She knows how to put a guy's hot knob right between those tits and to masturbate them to a rousing climax. She usually has three or four men in line to cum between her breasts or in her mouth. Gina doesn;t care because she likes to feel needed, so she lets all the men do what they want.

HOW TO CUM BETWEEN GIANT TITS!

continued from page 44

• Obviously, big knockers are objects of value. However, they should be firm and hard so that when you squeeze your fingers into them there is some resistance. Spongy tits are a great plus for any girl you eventually want to breast fuck.

• Showgirls who have had *successful* silicone operations rate a number 10. These knockers may be artificial but nature couldn't have done a better job. Be on the lookout for ugly scars which can usually be found underneath the tits. Sometimes the surgeon's knife wounds can't be covered up. Some breast enlargement operations turn out better than others. A good operation requires that a thank you card be sent to the doctor. Come between silicone tits and you'll never be satisifed with the "real thing" again!

• The editors of this magazine highly recommend fucking the tits of voluptuous women. Loaded with flesh these breasts are the softest to be found anywhere in the world. It's a good idea, to cover these with whipped cream, chocolate syrup, strawberry jam or whatever tastes better to you and then lick it off with long lapping strokes of your hot tongue.

• Tanned tits that have been out in the sun for hours upon hours seem to have a radiating fire about them. There is also

"He covered her breasts with a thick coating of the oil until her nipples stood out like valuable rubies belonging to some oil rich Arab."

something extremely sexy about a woman who doesn't try to hide what she's got, and if she bares it all on the beach chances are she's a fantastic lay who would love for you to come between her sun drenched knockers.

• Nipples that are over one inch long add that something extra. Maybe it's the fact that while you're sliding your enflamed pecker between your sweetheart's breasts you can also be fiddling with her elongated pips. You might even try taking a dab of pre-come from the end of your penis and smearing it around and into her nipples. This will make them shine an even brighter red and will provide an extra incentive for your shooting all over your chick's tits.

There is no end to the number of ways you can fuck a gal's breasts. "I like to use vaseline so that my cock doesn't cause a lot of friction when it rubs against her skin," Allan F. of Dover, New Hampshire, confesses. "I've gotten so used to fucking Nancy between her boobs that she can reach a shattering climax right along with me. While my dick is paving a path down her cleavage, she's digging deep in her pussy with the ends of her fingers. Normally, if I screw her in the cunt I can't get so worked up, but tit fucking excites me to the extend that when I unload my jizz I'm liable to drown her with the sticky white fluid.

Allan admits that he likes to take aim with his cock. "When I start out tit fucking I usually have in mind coming on a particular spot of her body. Listen, if you're shooting your spunk up a lady's twat you ain't going to get the thrill of seeing her take a bath in your passion cream. If you're fucking her boobs you can always pull out at the last second and let 'er rip where you please."

The 6 ft. 2 in. truck driver says he especially likes to unload all over his girl's tongue.'I really dig seeing my sperm spray in her mouth.
If I'm in the mood to come in her mouth and she isn't, all I have to do is pull her nipples gently and she'd be foolish not to like what is good. I've even been known to stick the tip of my prick right up her tonsils and come there. My spunk zips up her gullet and she loves it. I'm tired but who give a shit. I say if it makes her feel good the hell with me.

Tom L. works as a lifeguard in the Hamptons on Long Island. He loves to watch the beautiful girls walk by as well as sit on the sand and soak up the sun.

"Most of the girls who make it to the part of the beah where I work are still in their teens and they really provide quite an eyeful. Their bodies are just starting to bud out all over and their breasts in particular remind me of ripe tomatoes just ready to be picked from the vine."

The muscular lifeguard says that while nude sun-bathing is not allowed by law this doesn't prevent a few of the braver girls from stripping off their bikini tops and bottoms.

"Once in a while while a real fox will show up on the beach out of nowhere and tempt the hell out of me. She'll usually lay her blanket out on the sand not far from my lifeguard stand. She wants to make I don't miss what mother nature has provided her with."

Recently, Tom says this really attractive girl with long black hair plopped herself down not too far away from where he stood watching. "She took out

"Nipples that are over one-inch long add that something extra."

a bottle of sun tanning oil and smoothed some of the stuff on her shoulders ad face. She laid down on her stomach and unfastened the top of her bikini. I could see that there wasn't the usual area of white indicating that she was used to baring her all to the sun. Looking up and down the beach to make sure there wasn't a crowd about to form. She eventually turned over onto her back. She hadn't bothered to retie her bikini and her breasts were jutting up from her tanned chest for me to gaze upon in absolute lust.

"It was obvious that she knew I was looking at her and so I approached the girl on the beach and excused myself for being so bold as to suggest that I might help her spread her sun tan lotion a bit more evenly.

"She offered no resistance as I took a handful of the cream and began to spread it over her skin. I tweaked her nipples several times and she just looked deep into my eyes and told me to do it again."

Tom says he covered her breasts with a thick coating of the oil until her nipples stood out like valuable rubies belonging to some oil rich Arab. "As I put my mouth to her tits she started thrashing about in the saand, trying to rub her soaking wet crotch up and down my leg in an attempt to get herself off. She begged me to finger her pussy and I said I had no qualms about bringing her to a rip roaring climax as long as I could have some fun too.

Tit fucking can be one of the best experiences of your life as long as you follow the simple guidelines as detailed in this article. Remember there are "good tits" and "bad tits" and you won't want to waste your time fucking the losers.

EYE BALLING

I was sitting on the bus one morning, on my way to school, when I noticed this truly foxy-looking lady seated across from me. She was an older chick, mid-thirties, with long black hair, green eyes, and high, full braless tits. She was also very definitely married, judging by the diamond wedding band she flashed in that obvious, unsubtle way some women have of making a point. Unintimidated, I smiled back at her, giving her my best grin, and even threw in a sexy wink for good measure.

My efforts were met with cool disdain, and I turned away after a moment, dismissing the incident from my thoughts. I let my eyes rove around the rest of the morning rush hour crowd, and eventually I found myself reading the advertisements on the walls up above the bus windows. By chance, I happened to glance across the aisle again, and was surprised by what I discovered. That fox was staring right at my crotch.

Now, I may only be a junior in college, but I know a thing or two about the real world. And in the real world, most women are crotch watchers. They might only sneak a quick peek (or they might actually stare), but most women do look. First in the eye, and then at your crotch; or vice versa.

The woman across the aisle was obviously the staring kind, especially when she thought that I was looking elsewhere and hadn't noticed her. I quickly glanced away before we inevitably made eye-contact; I wanted her to continue thinking I hadn't seen anything. I pretended to be studying the crowd, rereading the ads.

What I was really doing was concentrating on giving myself a hard-on. If the lady wanted to look, I was damn-well going to give her something to look at. Knowing that I wasn't wearing anything under my skin-tight jeans gave me an instant erection. I squirmed around in my seat, spreading my thighs suggestively so that she couldn't help but notice my swollen seven inches was about oe rip through the denim.

I peered across the aisle again. The woman was still staring at my crotch. Only this time her eyes were glazed over with passion. Obviously she ws turned on, and this turned me on. I kept watching her watch me until she looked up and we made eye-contact. For a split second we stared deeply into each other's eyes; then the woman realized she'd been caught. She began to blush. I smiled impishly at her.

Instead of turning away, though, my pretty dark-haired married lady continued to stare straight into my eyes. After several seconds, she slowly, deliberately, looked back down at my cock.

A shiver went up my sine. My prick got stiffer, harder, really straining at the fabric of my jeans. Either the woman didn't care if I noticed, or she wanted me to notice. She continued to divide her attention between my hard-on and my deeply probing gaze. A silent communication was taking place between us, a communication in which no words were necessary.

Aware that this woman was not only looking at my cock—but was getting off on looking at it!—really got me hot and bothered. My rod began to tingle with leasure. I could almost feel her eyes stroking me through the jeans, caressing my rigid flesh, bringing me practically to the point of orgasm. When I realized I was going to cum, I purposely caught her eye again, smiled at her, and shot my load right into my pants.

"She let saliva accumulate on her tongue and then worked her pussy with the ends of her fingers and shuddered in delight."

She watched me cuming, and I could tell she knew what was happening. Her breath sucked in, her eyes became clouded, and her pale cheeks flushed hotly and red. Then, when she saw the spreading wet spot staining my jeans, I watched her grinding her thighs together. She began to shudder silently in her seat. Through her sweater her nipples began stiffening, growing larger and firmer as they pushed against the clinging fabric. The flush on her cheeks grew dark crimson, and her lower lip quivered. No question about it, the lady was cuming.

After that her eyes turned away, and two stops later, without ever looking at me again, she got off the bus. Not a word was ever spoken between us, and I never found out her name or where she lived. But we could no longer be considered strangers; certainly not after what we had shared.

Did you ever excite a man by just rubbing the tip of his cock with your erect nipples? I did and I got a good load of cum as a reward! I like a man who is excited by my breasts. I like to wear a tight sweater and rub up against a perfect stranger. I watch his pants front until it is sticking out like a tent, and then I might casually rub my thigh against him until he is squealing

WHY BUY...OR RENT...
THE SAME OLD BORING VIDEOS FEATURING THE SAME OLD BORING PORNO STARS, WHEN YOU CAN BE WATCHING THE HOTTEST, MOST EXCITING NEW CONCEPT IN ADULT VIDEO ENTERTAINMENT!

A RARE TREAT!

Where pornography has been legal, accepted and available for quite some time, consumers of adult entertainment found themselves getting jaded, bored, and in search of something "new". Tired of the same old productions being offered at exorbitant prices and featuring the same shopworn porno actresses, a small group of adventurous couples got together and started a club so they could purchase or exchange with other members, high-quality videotapes featuring amateurs having explicit sexual relations of all kinds! If you've never seen an "amateur" hardcore video before, you are in for a treat — there is nothing quite like it! There is something so spontaneous, so exciting, and so downright **cock-stiffening** about seeing real, ordinary people like housewives, stewardesses, sorority girls, secretaries, nurses, and their lovers having oral, group, and kinky sex that **you must see it to believe it.** When you realize that the young girl from Des Moines (tape #SV-31) is actually a receptionist for a law firm, it adds a **new dimension** to your sexual pleasure . . . one that is pretty hard to beat! Or when you see the young blonde housewife experiencing **penetration,** (tape #SV-45) and realize that she could be your next door neighbor, it's enough to make your mouth water with sexual excitment! There's no doubt about it, this new concept of hardcore amateur video has caught on. It is now the hottest, most in-demand type of sexual video.

SOME MEMBERS WISH TO PERFORM BEFORE THE CAMERAS!

But, you **DO NOT** have to perform sex acts on camera to be a member and enjoy all the benefits. And you DO NOT have to place your name and/or phone number in our confidential phone book. We would need your consent and signature to do this. Therefore, if you so desire, you can remain completely anonymous and just purchase videotapes or photo albums for your viewing pleasure. The **CHOICE IS YOURS!**

PROFESSIONAL QUALITY WITHOUT THE PROFESSIONAL PRICE TAG!

These are not typical "home-made" videos. We are dedicated to **quality.** These productions are shot **live** in homes, motels, apartments, backyards, vans, garages, etc. After our experts select them, they are professionally converted to 3/4" master tape, color enhanced and duplicated with state-of-the-art technology. **The quality is as good as store bought tape** — but with one big difference . . . the **PRICE!** No big name stars, no big production costs, no big staffs and crews, and **no big royalties to be paid.** The net result is you have access to the hottest new idea in sexual entertainment for little more than the cost of a blank tape!

YOU CAN BECOME PART OF THE SOPHISTICATES!

If you are **really interested,** and we mean really, you can become a member of The Sophisticates and enjoy all the benefits and privileges of membership. We do **however insist** on your **absolute sincerity,** since after all, the other members are revealing their personal identities to you, taking you inside their bedrooms, and allowing you to watch them having intimate sexual contact. It's important that you be sincerely interested in viewing what some people may consider This invitation is **not** for the squeamish or sexually timid.
